- How does the culture model (above) compare to temperaments?
- What is your current culture and desired culture for your team?
- What would you expect to see differently if all of your employees lived the values and beliefs of your desired culture?

INFLUENCE

| Reflection

- How would you describe your current level of influence?
- Who is included in your support network and how does each person support you (e.g. advocate, mentor, advisor, etc.)?
- What questions do you have in navigating through the culture and increasing your influence?
